

Der Schwendterwirt

A warm welcome and 'Grüß Gott' at the Schwendterwirt. The history of our house dates back to the 12th century when it was built as a hunting lodge by the monastery Herrenchiemsee. Since 1554 it has been run as a hotel. Up to the present day tradition is still highly regarded and the place is now lovingly managed in third generation by the family Schwaiger. The old magic of the beautiful vaults and cozy rooms continues to lure guests to a merry get-

together. When it comes to the preparation of our dishes we are proud to say that – like back then – we still use home-made or regional products.

Thanks you for your visit!
We wish you a pleasant and memorable stay.

Enjoy your meal!
Your family Schwaiger and employees
